The Vision

"To be the leading platform in Europe for advancing the anterior approach in hip surgery through collaborative innovation, cutting-edge research, and expert education, fostering a community of orthopedic professionals dedicated to improving patient outcomes and shaping the future of anterior approach hip surgery."

WELCOME TO THE 1ST EUROPEAN ANTERIOR HIP MEETING!

We are thrilled to invite you to join us at this groundbreaking event, set to take place in the heart of Europe. The European Anterior Hip Meeting represents a pioneering convergence of leading orthopaedic surgeons, researchers, and medical professionals dedicated to the advancement of anterior hip surgery.

As the first of its kind to be held in Europe, this meeting aims to foster a collaborative environment where innovation meets expertise. Attendees will have the opportunity to engage in comprehensive discussions, witness cutting-edge presentations, and participate in hands-on workshops led by renowned experts in the field.

Our goal is to provide a platform for sharing the latest advancements, techniques, and research in anterior hip surgery. We believe that through collaboration and knowledge exchange, we can drive the future of orthopaedic care and improve patient outcomes globally.

This event is not just a conference; it's a unique opportunity to network with peers, explore new technologies, and build lasting partnerships. The European Anterior Hip Meeting is poised to become a cornerstone event in the orthopaedic calendar, and we are excited to have you with us from the very beginning.

We look forward to discussing with you opportunities for partnering with the inaugural EAHM.

Richard, Kristoff, Frédéric, Jonathan and Michael

REASONS TO SPONSOR THE 1ST EUROPEAN ANTERIOR HIP MEETING

- 1. Unparalleled Exposure:** Sponsoring this inaugural meeting places your company at the forefront of the orthopaedic community. Gain visibility among leading surgeons, researchers, and healthcare professionals who are shaping the future of anterior hip surgery.
- 2. Brand Alignment with Innovation:** Align your brand with cutting-edge advancements and pioneering techniques in orthopaedic surgery. Demonstrate your commitment to innovation and excellence in healthcare by supporting a forum dedicated to the latest developments in anterior hip surgery.
- 3. Networking Opportunities:** Connect directly with key decision-makers, influencers, and potential clients in the orthopaedic field. Sponsorship provides exclusive opportunities to engage with attendees through networking events, workshops, and one-on-one meetings.
- 4. Showcase Your Products and Services:** Highlight your company's products, technologies, and services to a targeted audience of orthopedic professionals. Take advantage of exhibition spaces and product demonstration opportunities to showcase your offerings in a relevant and impactful setting.
- 5. Educational Support:** Contribute to the advancement of medical education by supporting a platform that promotes knowledge sharing and professional development. Your sponsorship helps provide attendees with access to high-quality presentations, workshops, and hands-on training sessions.
